

The City of Carlsbad invites you to:

Envision the Future

Join us at one of two community kickoff meetings designed to gather ideas for the agricultural area along Cannon Road, east of I-5.

This area is currently used for growing strawberries and flowers. Residents are invited to learn more about this area and to offer ideas and input, which will be used to create an open space vision.

Why?

Citizen input is essential

in planning the future of these privately-owned lands. Agricultural uses are encouraged in the area under the current zoning. However, if property owners decide farming is no longer economically viable, we want to know the public and private open space uses desired by the community.

How?

If you are interested in getting involved and would like to be notified of upcoming meetings and events, please R.S.V.P. to the Carlsbad Community Development Department at (760) 602-2710, or visit the City website at www.carlsbadca.gov

THURSDAY

November 15th, 6:30-9:30 p.m.

The Crossings at Carlsbad

5800 The Crossings Drive

MONDAY

December 3rd, 6:30-9:30 p.m.

City of Carlsbad Faraday Center

1635 Faraday Avenue
